July 1995

The American Cuemaker's Association has elected two members to the Board of Directors. They are:

Dale Perry of DP Custom Cues, Orange Park, Florida.

Dale graduated from the University of North Florida with a Bachelors of Business Administration degree. He started making cues part time in 1987 and started making them full time in 1992. He is one of the Founding Members of the ACA and one of the original members of the Board of Directors. Dale has been instrumental in many of the decisions made by the ACA and has won a well deserved re-election.

Richard Chudy of Richard Chudy Custom Cues, Pleasant Hill, California.

Rick learned the rudiments of cuemaking in the early to mid '70's, while living in the Detroit area. He started making cues in earnest in 1985. Rick attended several colleges including Northern Michigan University and Wayne State University where he majored in fine arts. His prime interests were painting and sculpture. Rick brings a strong business background to the Board of Directors and will provide a strong cohesive presence.

Other members of the Board of Directors are Michael Bender of Bender Cues, Ernie Gutierrez of Ginacue, and Jerry McWorter of McWorter Custom Cues.
